PARENT EDUCATION PROGRAM IN SCHOOLS

www.theparentingcenter.org

No one is born knowing how to parent.

Successful parenting is the result of experience and education. Experience comes with time.

Education comes from friends, family, and resources like The Parenting Center.

The Parenting Center provides parents the tools to build successful families.

TPC also helps the community in the prevention of child abuse and neglect.

OUR TOPICS

Living in Family

(You're the experts)

Preventing Child Abuse

(We'll have frank discussions)
